

# Bosch RP Series NEW

## Geothermal Heat Pump

*Elevate home comfort with a high-performing Geothermal heat pump solution from Bosch*

Versatility defines the Bosch RP Series water-to-air residential heat pump. The RP Series features a swinging electrical box, a slide out blower, and improved air coil serviceability, making for an easy and headache-free installation and maintenance process. Equipped with R-454B refrigerant, the RP Series meets the criteria for a lower global warming potential A2L refrigerant. The system is ENERGY STAR® rated and has a 10-year warranty on both the compressor and parts.<sup>§</sup>

## The Bosch RP is a High-Performance Geothermal Solution

### Standard Features

- ▶ Two Stage Compressor
- ▶ Swinging electrical box
- ▶ Slide out blower<sup>(1)</sup>
- ▶ Improved air coil serviceability<sup>(1)</sup>
- ▶ ENERGY STAR® Rated
- ▶ Available in vertical and horizontal
- ▶ Copper or Cupro-nickel water coil
- ▶ Left front water connections
- ▶ DuoGuard™ air coil
- ▶ ½" closed cell foam insulation, with compressor blanket, and 2% leakage compliance
- ▶ ECM constant airflow blowers
- ▶ 75 VA transformer
- ▶ Powder-coated steel cabinet
- ▶ Stainless steel drain pan
- ▶ Floating compressor base pan
- ▶ Supplemental Heat Available
- ▶ Optional heat recovery package available
- ▶ 2" MERV 8 filter

### Serviceability

The RP features a swinging electrical box for easy access to the compressor and internal components. Vertical units have better air coil serviceability and a slide-out blower for hassle-free maintenance.

### Environmentally Friendly

These highly efficient units not only reduce your operating costs, but play their part in reducing carbon dioxide emissions, a leading cause of global warming. Equipped with R-454B refrigerant, the RP Series meets the criteria for a lower global warming potential A2L refrigerant.

### Quality & Reliability

Rigorous factory testing and over 40 years of experience ensure hassle-free operation and top-quality heat pumps. Our ISO 9001-2008 and ISO 14001-2004 certified facilities guarantee consistent quality in every unit.

**Bosch Home  
Comfort Group**

We invent sustainable heating, cooling and well-being solutions – for a smarter and better life.

## Unit Protection Module Controller

- ▶ Water coil freeze protection
- ▶ Air coil freeze protection
- ▶ Brownout (low voltage) protection
- ▶ Condensate overflow switch
- ▶ High and low pressure switches
